Get to Know Camp

Since 1915, Fairview Lake YMCA Camps has been bringing people together for adventure, friendship, and meaningful experiences. Set on 660 acres in Stillwater, New Jersey, our camp is a place to try something new, build connections, and make memories that last long after you leave. Camp isn't just for summer! We welcome families, groups, and individuals to experience the magic of camp all year long.

Bring Your Group To Camp

Fairview Lake is open year-round for school field trips, team retreats, group getaways, and outdoor adventures. Whether you're planning a day of learning, a weekend together, or a seasonal gathering, we offer space to connect, explore, and make memories. We'd love to help you plan your next visit!

Y For All

As a nonprofit YMCA camp, we believe everyone deserves the chance to experience the magic of Fairview Lake. Financial assistance is available for groups, schools, families, and individuals, helping make camp experiences more accessible to all. **www.fairviewlakeymca.org/yforall**
