Adirondack Adventure, 2025

Our Adventure Trips for Challenge programs are designed to allow for growth, leadership, and friendship-building opportunities. Each program offers a unique itinerary, including rafting, canoeing, backpacking, rock climbing, high ropes, orienteering and more. Campers also participate in on-camp activities like swimming, archery, and the Mountain Slide, just to name a few! By the program's end, they return with unforgettable stories, new confidence, and a circle of friends who feel like family.

Adventure Trip Campers and their dedicated staff live in the Delaware Unit, located on a hillside in camp. This unique setting is a great base camp for all Adventure Trips programs - with a shared bathhouse and pavilion, lawn space for games, and beautiful woods to explore. While the airy cabins do not have electricity, the bathhouse and pavilion are both powered.
